SPVC Players & Parents

***UPDATE #4 – NCVA Season Cancellation***

Our governing body, the Northern California Volleyball Association (NCVA), notified us yesterday that the remainder of the indoor season will be cancelled.

**Dues/ Payments** - No additional payments will be processed for those families on the standard payment plan. For those families who 'pre-paid' their entire season dues, we will follow up with you AFTER our DIRECTORS CALL with the NCVA office on April 15.

**SPVC Beach** - SPVC Beach Season is tentatively scheduled to begin June 1<sup>st</sup>. We are working directly with the City of Sacramento (who oversee the sand courts we use) and hope to get a 'green light' to conduct our summer sessions. Expect an update after May 1<sup>st</sup> on the club's website ([www.sacperformancevb.com](http://www.sacperformancevb.com)) and each of our social media accounts.

**Indoor Clinics** - Indoor training with Above The Net (ATN) plans to re-open the moment we get approval from La Sierra to do so. Keep watching the club's website ([www.sacperformancevb.com](http://www.sacperformancevb.com)) and each of our social media accounts for updates and announcements for ATN's summer training schedules and sessions.

**Team Parties** - While we all understand that we cannot make any solid plans at this time, we want to encourage coaches, players, and families to find time to get together one last time as a team. When you do, we hope you will focus on the positive memories and new friendships made in this crazy shortened season.

Finally, we want to take a moment to simply say "Thank You" to each one of you for being a part of our club in this year. We know you have some choices out there, and we are glad you selected to be a part of our club. At SPVC, we try to treat each other as one big family, and being apart from our volleyball family during this unprecedented time has been tough on us all. We look forward, with high hopes, to the day where we can get back out on the court competing, improving, and enjoying the sport we love.
